All activities are subject to approval by the Construction Career Day committee. Exhibitors will be responsible for cleaning up their booth area. This is a non-smoking event.

Select the area you would like to be in (you may select more than one if you want to set up multiple booths):

Hands On

Students get the chance to work with tools and small equipment, doing real-world tasks.
Examples: Pouring concrete, concrete stamping, framing a wall, cutting glass, using surveying equipment, hammering nails, using computer software, cutting/gluing pipe. Use your imagination, think of things that would interest the students, and most important, have fun!

Describe your activity (attach additional pages if needed): _____

How much space do you think you will need? _____

Will you need electricity? _____

Informational

Students learn about employment opportunities and the skills necessary. No equipment or tools are used. Each booth will contain a table and two chairs. Let us know if you need more tables or chairs.

Will you need electricity? _____

Equipment (outside)

Students operate or observe heavy equipment or tasks that can only be done outside. No digging allowed. Mark the type(s) of equipment you will be bringing to display:
